

1. **Real World Parents**

As parents, it can be overwhelming to know how to lead our children toward good choices.

How do I help my children engage culture? How much do I protect them from it?

How do I educate them to be discerning and wise?

How can I be a better, godly example?

How do I initiate spiritual conversations with them?

Real World Parents is designed to help parents come together to seek godly responses to the complex challenges of being parents in today's world.

4. **GodQuest**

By Sean McDowell (Video Series)

In this life, there is nothing more challenging, more adventurous than going on a search for truth and for something, or someone greater than ourselves. In GodQuest, you will be taken on a journey to discover compelling evidence for the existence of God, the truth of the Bible, and the deity of Jesus Christ.

Participants will also learn one very important truth: What they believe about God will affect their daily choices, influence the path they take in this life, and determine their final destination.

Facilitator: Jeff Hannah

Price: \$7.00

5. **The TRINITY: Revealed For Our Understanding (Romans 1:20)**

Do you find it difficult explaining, much less comprehending, the Trinity? Most Christians either embrace a heretical view of the doctrine or ignore the subject altogether because it is a 'mystery'. Romans 1:20, however, states otherwise and instead asserts that "*For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse...*". Is there evidence to support this bold proclamation in the world which we live? This class will help you strengthen your faith as we celebrate the God we serve and worship: Father, Son, and Holy Spirit.

Facilitator: Todd Dale

All above classes will meet 6 weeks @ 6pm Sunday Nights beginning January 22, 2012

Childcare, Children's Activities and Youth Choir will be happening during classes
